ALMA MATER

Hail to Alma Mater dear!
Where we've spent our high school years,
Now to Bethlehem High we raise
Voices to extol thy praise
In thy stately halls we've spent
Hours with hearts and minds content.
Now to thee dear Bethlehem High
In Our loyalty we cry:

Chorus.

Bethlehem High School hail to thee!
Loyal sons and daughters we,
In the future as the past,
We'll be loyal to the last.

Hail the dear old Red and Blue!
To thy colors we'll be true
As the star of Bethlehem shone,
So our love for thee has grown.
In the world where e'er we are,
Nothing shall thy honor mar,
Though the future years pass by.
This shall always be our cry!- Cho.

Senior Homeroom Presidents

1st row: Wilbert Knipe, Ted Haas, Joanne Hunter, Anita Carril, Joseph Angerman, Raymond Reed.

2nd row: Michael Sigal, Dale Pharo, Edward Hudak, Frank Weaver, Roy Sturm, Hall Drummond.

Homeroom Officers were elected in the homerooms the first week of October. Eleven boys and two girls were elected to the presidencies.

The homeroom presidents administered the business of the homerooms. They had charge of the ordering of graduation announcements, collecting the individual pictures for the **Cauldron,** and various duties arising from time to time.

Another important function of the presidents was to act as homeroom representatives when Senior Class business needed to be discussed and announced to the entire Senior Class. These delegates, accompanied by the homeroom treasurers, met with th Senior Class advisers, Miss Ruth Blessing and Mr. James Heller, and the class officers about once a month. At these meetings, any new, pressing problems were talked over, decided upon, and approved by all present.

The presidents have handled their assignments well, and the Senior Class affairs have been enacted efficiently.

The senior homeroom presidents are as follows: Joseph Angerman, Anita Carrill, Hall Drummond, Theodore Haas, Edward Hudak, Wilbert Knipe, Joan Hunter, Peter Mesko, Dale Pharo, Raymond Reed, Michael Sigal, Roy Sturm, Frank Weaver.

The Cauldron Staff

1st row: Helen Nemeth, Marguerite Tokar, Jean Maxwell, Ted Haas, Ray Hartman, Ann Romano, Florangela Colasante, Naomi Knauss.

2nd row: Lucille Handwerk, Miss McGettigan, adviser; Elsie Sik, Helen Kucsan, Stanley Zweifel, Winifred Harte, Radell Herbert, Nancy Waldron, Helen Sawchuk, Jennie Stephanu, Michael Sigal.

The work of the **Cauldron** staff of 1946, under the supervision of Miss Frances McGettigan, culminated in the creation of this yearbook. The staff, which was chosen at the end of the Junior term, was headed by Ray Hartman, a very capable Editor-in-Chief, whose executive ability and tireless efforts proved to be a big asset in the production of the 1946 **Cauldron.**

Forming a competent staff was Ted Haas, Managing Editor, who assisted Ray in the editorship and took charge of the individual cuts. The Associate Editors, Ann Romano and Jean Maxwell, were responsible for the write-ups and statistics for each senior, while the Activity Editors, Marguerite Tokar and Florangela Colasante, collected data on the activities, in Liberty High School. Winifred Harte could be seen running around after school to arrange the taking of the pictures on these activities. Helen Nemeth, the art editor, furnished the **Cauldron** with its sketches and lettering. Naomi Knauss, the Feature Editor, provided some of the highlights of the book, among them the class ballot and poem. Sports Editors, Lucille Handwerk and Stanley Zweifel, united to bring Liberty's sports on paper. Ella Sik, Business Manager, used her commercial training to good advantage in the handling of business transactions. The typists, who transformed handwriting to typewritten form, were Helen Sawchuk, Jennie Stephanu, Radell Herbert, Nancy Waldron, and Helen Kucsan. Last, but not least, was Michael Sigal, Photographer, who captured memories of our senior year on film. Through the cooperation of every member of this staff, the **Cauldron** of 1946 was successfully produced.

The Senior Play

On floor: Handwerk, Pasco, McKellin and Nevis.

Seated: Carril, Halteman, Skidmore, Cooperman, Maxwell, Ritter, Hunter, Sommers, Erdle, and Rohs.

Standing: Mr. Reese, Shoemaker, Persa, Henry, Piccirilli, Knipe, VanKeuren, Sigal, Fulmer, Thomas, Jennings, Stafford, Knauss, Drummond, deVries, Faust, Coleman, Payne, Weber, Bond, Klein, Lanier, Terzigni, Ward, Stoudt, Hoffman.

The Senior Play was finished, and, as each person left the auditorium on March 15 and 16, he went not only with a feeling of being entertained, but of having received an insight into the life and heart of one of America's greatest women, Harriet Beecher Stowe. For **Harriet** was no ordinary Senior play: it was the most outstanding production presented by any Senior Class in the history of Liberty High School. Having been produced very successfully in New York during the 1942-1943 season and starring in its title role the great Helen Hayes, **Harriet** was no simple task to present on a high school stage, and much credit is due the director, Mr. Truman J. Reese. Having recently returned from the Army, Mr. Reese capably cast and directed the actors and actresses who gave the two splendid performances.

Like most productions of its type, this play was not without its complications. The cast has fond memories of rehearsals when lines were forgotten, prompters were not present, properties were lost, and scenes seemed to be becoming worse instead of better.

As for tickets, there were bad moments when rumors traveled around that no one was selling tickets except the members of the cast. What a letdown! But everything turned out all right, and a large audience attended both the performances.

The whole thing ended too soon. In spite of the work done by everyone ranging from the committees to the members of the cast, it was a disappointment to think that the fun was over and that we would have to return to our normal routine of study—(?)

The cast which asked this question, "Why don't we do this more often . . . " about **Harriet** was:

CLUBS

Art Club

Ambition! Opportunities! These were secured by the members of the Art Club, under the supervision of Miss Hazel Ressler,. An education committee was formed to undertake the task of setting up guidance for those interested in furthering their art education. Exhibitions sponsored by this committee proved to be very helpful. The members were informed on techniques and materials by having representation at demcnstrations held at Allentown, New York, Kutztown, Coopersburg, and Pen Argyl.

Have you noticed the interesting art exchange exhibits in the corridor? By this exchange method with other high schools, we have had the opportunity to see a great selection of art work.

A bazaar was held in the fall for the benefit of an air-brush which the club is planning to purchase.

The beautiful settings of pictures used in the Christmas Vespers were a great success. Our Art Club received the credit for that undertaking which took many hours of work.

Strohmeier of the Laros Textile Company, were again requested to give addresses, because of the valuable information on how to become more efficient secretaries they had conveyed to students in previous years.

French Club

Les Cercle Francais is the combination of the second and third year French students. Their meetings have been held every fourth Friday during their respective class periods. The program usually includes French skits, reports, games, and folk songs.

The club has a project of which they can be very proud. They have "adopted" a small French boy; that is, they contribute money in order to send him two packages a month. His name is Michel Miquet, and he is seven years old. Michel's mother has written them several letters and has sent several photographs also. This correspondence has made the club members feel acquainted with "their child". His father was deported by the Germans to serve with the slave laborers in Germany.

These members conduct the entire meeting in French and usually conclude it by singing "La Marseillaire", the French national anthem.

The meetings were held the first Monday of every month. The main object of this club was to help students to become familiar with German customs and background.

At the beginning of every meeting a member was selected to read a passage from the Bible in German. This was followed by a unison recitation of "Das Vater Unser," the Lord's Prayer. "How Bethlehem Was Named," "The Beginning of the Red Cross," and "Humperdinck," a German composer were among the topics considered.

The club held its annual Christmas party, where carols were sung in German and refreshments were served. Games requiring German answers were played and enjoyed by all. The closing meeting of the year was a picnic.

Other programs contained biographies of famous Germans, a game played in German, group singing, and a review of German customs. A committee was appointed to plan for each meeting.

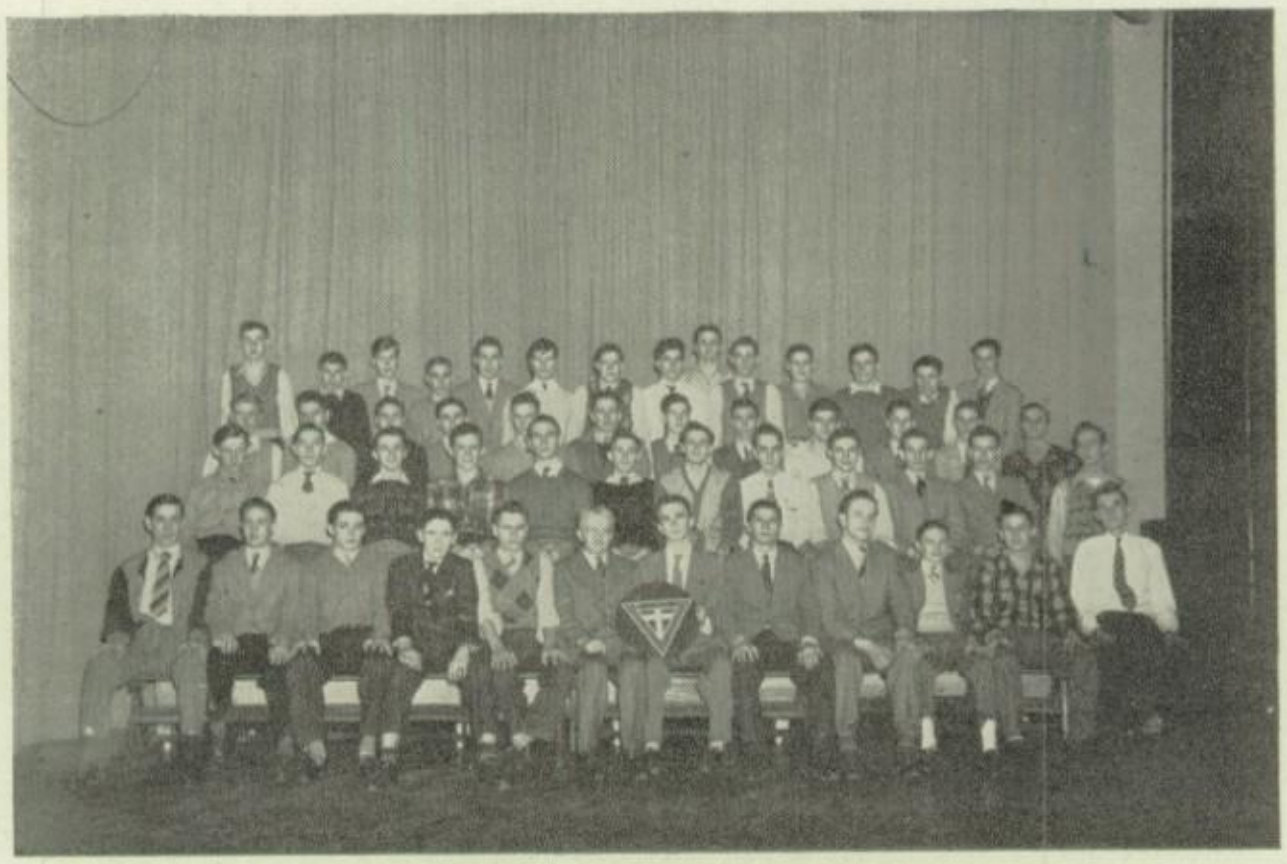
Hi-Y



The Liberty Hi-Y Club was again under the leadership of Mr. Harry S. Dando, who has advised the group since 1934.

The 1945-46 season was opened by the club with the Initiation Ceremonies for new members. Thirty-nine boys were initiated. This made a total membership of seventy-five.

"Ready and willing to be of aid" seemed to be the motto of our Hi-Y Boys. They have proved to be a great help by acting as ushers at school activities, such as football games, Christmas Vespers, and the Senior Play.

The meetings were usually held Thursday at 7:30 p. m. in the Y. M. C. A. Headquarters. Discussion groups presented such topics as the following: Conscription, Sociai Consciousness and Good Sportsmanship, Racial Problems, and Standards of Conduct.

Several social affairs were enjoyed by these boys. These socials included: Fun Night, a Christmas Party, a semi-formal Alumni Dance, and an educational trip to Washington, D. C.

Several boys attended the Older Boys' Conference in Easton at which our Hi-Y led the devotional services.

Entertainment for others has been offered by our well liked Hi-Y Chorus which conisists of nineteen boys under the direction of Mr. Carlton Weaver.

The annual Father and Son Banquet was held at the Masonic Temple, and it was attended by the members and their fathers.

Jr.-Sr. Assembly Committee

A period of relaxation! This period of forty-five minutes was a pause between study periods. Juniors and Seniors attended this weekly assembly program and this same program was presented for the sophomores on their assembly day, Thursday. Plans for the program to be held during the year were made by the Junior-Senior Assembly Committee under the direction of Miss Muriel Wilson. Every homeroom sent a representative to a monthly meeting where future programs were planned and past programs were discussed. In this manner, all pupils have a share in suggesting assembly programs.

In spite of the fact that this was the first year for this group, we recall with pleasure the large variety of programs presented. Some of the programs presented were the Christmas Vespers by the music department, a wrestling match by the athletics department, a talk by Mr. Charles Klein, and a debate by the debating class.

Besides producing entertainment for the audience, these programs allowed us to become better acquainted with the talents of our fellow students. A great satisfaction was received in realizing our student body was represented in the selection of our assembly programs.

Latin Club

Duodecim Laeti, which means the jolly twelve, consisted of the third and fourth year Latin students. The motto of the club was "Esse quam videri."

Meetings were held the last Friday of every month under the supervision of Mrs. LeRoy Funk.

Each month a group of three had charge of the meeting. Features of the meetings were quizzes on mythology, contests, cross word puzzles, talks on ancient heroes, Latin games, skits, and group singing in Latin.

The Christmas party was held on December 20. A report on "Saturnalia" was given by Barbara Martin, and this was followed by the reading of the Christmas Story in Latin by Anne Linderman. Gifts were presented, refreshments were served, and Christmas carols were sung.

During the past year, this club enjoyed several parties, among them a Valentine Party and a party at the close of the school year.

Liberty Life

Liberty Life, the student publication, is composed of four staffs: editorial, advertising, circulation, and financial. These staffs cooperate in putting out a bi-weekly four page paper priced at five cents. Occasionally a six, eight, or ten page paper is published. These occasions arise when events such as Thanksgiving, Christmas, Easter, and Graduation approach.

Besides publishing a newspaper, this organization sponsors an annual May carnival. This year's editor presented the 1945 sophomores with an **Informational Bulletin** to familiarize the newcomers with their Alma Mater.

The editors are as follows:

Editor-in-Chief: ..... Jack Halkins

Managing Editor: ..... Dolores Zaparzony

News Editor: ..... Maryellen Grube

Sports Editor: ..... Bernard Terzigni

Feature Editor: ..... Barbara Martin

Library Club

Girls can get along without boys! Our Library Club has proved this statement because the membership consists of sixteen girls. Although boys and girls may join, the club has progressed successfully without boys. The club runs very smoothly under the supervision of Mrs. Margaret Randt, the librarian.

The meetings were held after school during the first semester, but this was changed to the fourth period on Monday. In addition to the weekly meeting, each member worked in the library during two of his free periods a week. The members check, file, and sort books. These amateur librarians feel qualified to "pinch hit" for a regular librarian.

Among the various activities of the club, a book contest was held during Book Week. This proved to be very popular among the students. A doggie roast and a Chrstmas party were enjoyed by all the members.

Nature Study Club

The Nature Study Club of 1945-46 had many interesting sessions.

The Club met every Tuesday. During the winter months, these meetings were scheduled for Room 303, where discussions on birds, flowers, trees, animals, stars, and minerology were held. However, in the fall and spring months, field trips were taken to Lehigh University Campus and Arboretum, Sayre Park, Monocay Park, Nisky Hill Cemetery, Willow Park, and the gardens of the faculty adviser, Mr. Warren M. Horne, Crafts instructor.

One of the most interesting trips made this year was to Pen Argyl, to attend the Northampton County Teachers Institute. Mr. Edward A. Hill, noted photographer, writer, and lecturer from Fleetwood, gave an illustrated lecture on "The Four Seasons," using his own kodachrome films to highlight his speech.

In observance of Fall, Arbor, and Bird Day, the entire club participated in a chapel program. The Governor's proclamation was read by Dorothea Petrohoy, and "Trees" was recited by Elaine Ccoperman. Mr. Horne spoke on the organization and progress made by the club, prior to his introducing Prof. Norman R. Taylor, Assistant County Superintendent of Northampton County, who spoke on the "Conservation of Trees, Flowers, and Birds."

Oral and written quizzes kept the students on the alert and helped them realize the club's purpcse: to train students in the fields of botany, horticulture, gardening, landscaping, ornithology zoology, and for the position of nature counsellor at summer camps.

Orchestra

Under the excellent direction of Mr. Joseph Ricapito, the orchestra has completed another successful year. It was extremely hard to maintain a well-balanced organization, for some instruments were lacking; but the orchestra succeeded in gaining the applause of everyone who heard it.

The orchestra made its initial public appearance at the Christmas Vesper Service, where it again took the part as accompanist to the Glee Club. It also entertained the student body in an assembly program in the fall. In addition to this, it performed at the Senior Play, Baccalaureate, and Commencement exercises.

The members entertained the Mother's Club at a meeting when they demonstrated how a typical practice period progresses.

The result of much conscientious practice on the part of the orchestra and the hard work and careful training of Mr. Ricapito was witnessed by a large audience at the annual concert on March 21, 1946. Light, semi-classical music was featured.

But even the orchestra takes time out for fun. Therefore, the members of the orchestra joined with the band and dressed in fancy costumes for the Halloween party. Members of both organizations joined with their parents for a Christmas celebration, complete with Christmas trees, carols, Santa Claus, and gifts.

The year was concluded by one last picnic topether in June, when the parents once more joined the children for a wonderful time at the annual picnic.

Personality Plus Club

A friendly laughing face is always pleasing to others! Our Personality Plus Club has helped our junior and senior girls to obtain this characteristic along with many other individual personality "charms." These girls have proved their kindness to others by sending clothes to the Kentucky Mountain children and by contributing toys to the Salvation Army.

Some of the activities held during the past year included a doggie roast, a barn dance, a Christmas party, a few educational programs, a trip, and a semi-formal dance which is held annually. This Sweetheart Dance was held at the Masonic Temple with Jeannette Kradjel winning the title of "Sweetheart."

Good grooming was stressed at a meeting where Mrs. Hartlieb, a cosmetician, was the speaker. Another typical meeting included a tour through the Allentown State Hospital.

The advisory council consisted of Mrs. John Rodenbach, Mrs. Francis Schrader, and Miss Lucille Martino.

Scribblers

Meet our small—but powerful—group of would-be writers—the Scribblers. Although the Scribbers activities are not too well known, the results are. Many student contributions in **Liberty Life** are the products of our fruitful minds. Surely, you remember our annual contest for the entire student body. But, what you do not know, is the difficult, but delightful, part of choosing the best and awarding the prizes.

When you hear unrestrained laughter bubbling through the keyhole of 312 every other Monday, fourth period, it was only the Scribblers at work; that is, they were listening to a member's scribblings on her opinion of something. Then after much thought, we would subject the selection to reasonable criticism so that each flaw might be picked out, analyzed, and corrected. Hard work? We don't think so. You see, we like to work.

Evidently our president, Dolores Wirth, likes to scribble. This was her third year in the Club. Mildred Graham, our vice-president, athough a senior, was a newcomer. Our secretary, Beverly Bond, was one of our two sophomore writers. The gal who took care of our dues was Agnes Lucasik. We hope Miss Crow, our helpful adviser and best critic, enjoyed our efforts as much as we did.

Sophomore Girl Reserves

The Sophomore Girl Reserve Club, for sophomores only, as the name suggests, was organized this year. Its purpose is the same as the older club.

Some of the activities of the year were a Valentine party and a Hallowe'en party, which was held jointly with the senior group. Plans were made for various other socials to be held late in the year.

Five club members attended the annual Girl Reserve Conference at Scranton.

The advisers of the club were Miss Lucille Martino and Miss Ruth Overfield.

Spanish Club

The aim of the Spanish Club this past year was to give the students a better knowledge of our Spanish-speaking countries. The members have learned about the customs and ideals of these countries, and they also acquired a greater facility in speaking the language. This aim was carried out under the direction of Miss Marion Clark.

The club held bi-monthly meetings where a few Spanish dialogues and plays were presented by the members. Word games were played to increase the vocabulary, and these also provided entertainment.

One of the more outstanding programs presented this year was the Christmas program. At this program, interesting reports were given about the method in which Christmas is celebrated in the South American Countries. A description of the manner in which gifts are exchanged proved to be interesting. The Mexican "Pinata," a large colorful head or figure. hangs from the ceiling. This is filled with gifts. The Spanish Club made their program more vivid by creating a "Pinata". Each member received his gift in this manner. The traditional Christmas carols were sung to complete the program.

Stage Crew

Remember those hectic weeks at the end of February and the beginning of March when wild-eyed creatures (they could hardly have been called seniors) tore about adorned in a fashion resembling all the hues of the rainbow? Teachers assured students that this was an annual event preparatory to the Senior Play. Nevertheless it was still surprising to hear strange hammerings and cries of "No! that flat hasn't been sized yet. You can paint it pink." And students blithly going to school on Washington's Birthday when—"only a fool would go near Liberty on a holiday."

This band of workers is seldom heard of—but often heard from as bells, or seen as lights.

Although Mr. Reese directed our senior play stage crew, Miss Ressler and the Art Club slaved over the varied sets which Mr. Cressman and his boys had erected. Other faculty members were invaluable in taking charge of the many complicated costumes; make-up, which included elaborate hair-dos; and music during intermission. Under their guidance hosts of seniors labored to make the setting and stage perfect for the performance of their friends in **Harriet.** They worked without hope of recognition or praise for the satisfaction of a job well done.

Through their untiring efforts, the senior play was presented on March 15 and 16.

Joseph Maio, Evelyn Wiley, Mildred Paules, Lucille Handwerk, Richard Laury, Beatrice Antolick, Dolores Haber, Jean Hoffman, Gerald Behler.

Liberty-Hi's cheerleaders, through the current of football, basketball, and wrestling seasons, were present with pep and color to lead the fans in songs and cheers. With Mrs. Thomas Weston as coach, the new cheers and formations were worked out and used at the games.

Only two cheerleaders remained from last year's squad. These were Beatrice Antolick and Lucille Handwerk. The new cheerleaders were chosen from the recently formed Junior Cheerleading Squad. The girls selected from this squad were Dollee Haber, Jean Hoffman, Mim Paules, and Evelyn Wiley. The boys selected were Gerald Behler, Richard Laury, and Joseph Maio.

The end of the season was celebrated by a banquet held in the Hotel Bethlehem on March 30.

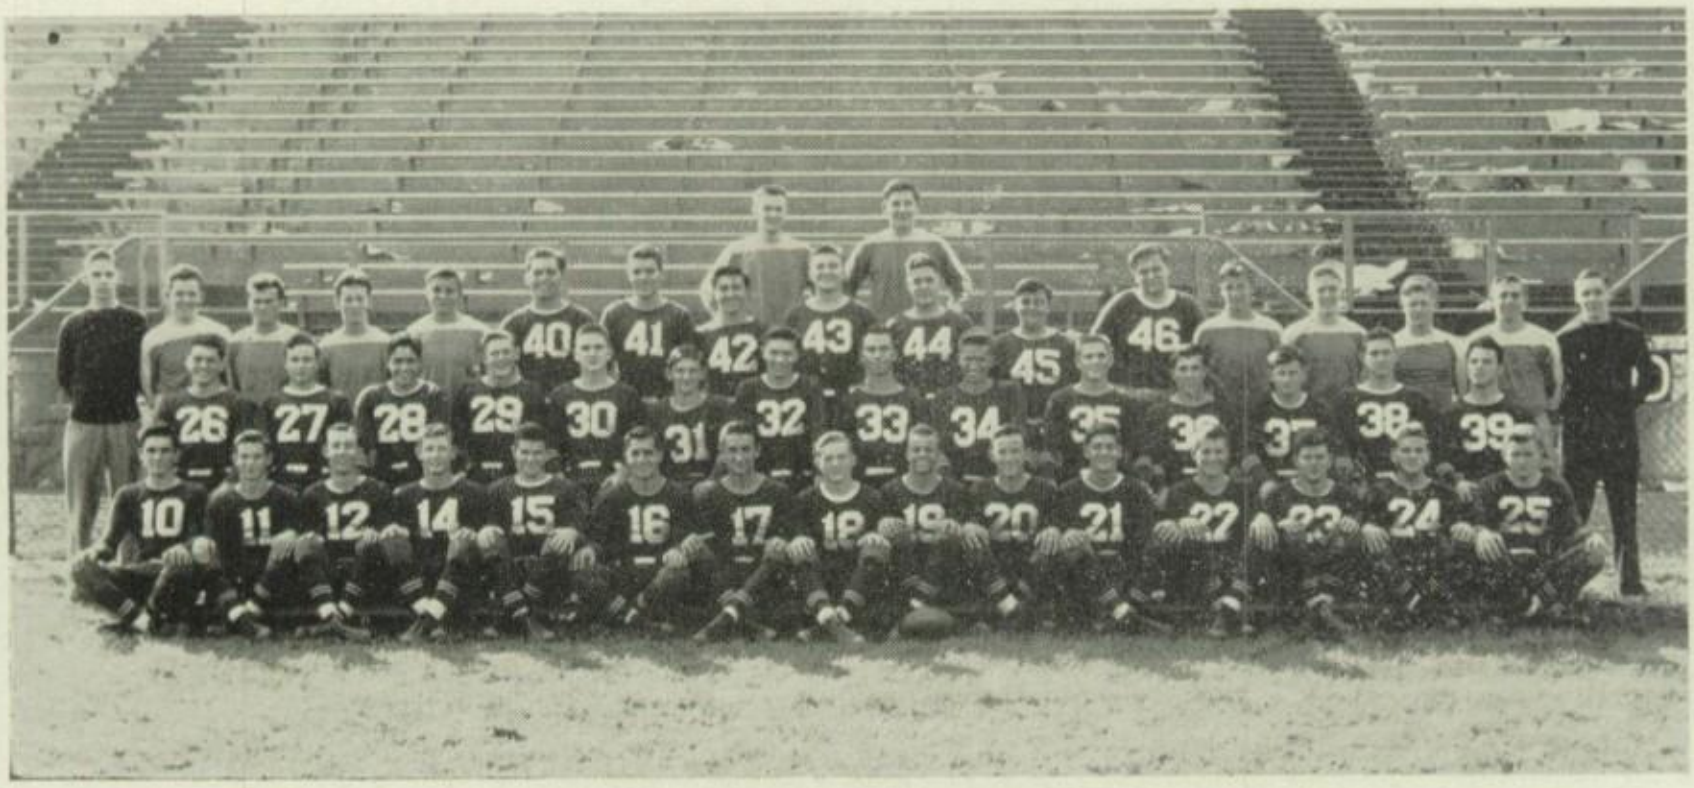
Football

Coach: John W. Butler



1st row: Calvo, Turanchik, Wash, Molnar, Geleta, Marinkovich, Hudak, Zweifel, Peters, Dundon, Hoffich, S. Horvath, F. Horvath, Copek, Bartholomew.

2nd row: Martinuzzi, Walters, Pisilis, Cope, Deetz, Bond, Rayeur, Weaver, Guidon, Agocs, Ballick, Kushinka, Arnold, Andreola.

3rd row: Drummond, mgr., Warg, Prospero, Nemetz, Zettlemoyer, Hudak, LaSasso, Scharder, Fetsko, Medlecot, Salvage, Palanchar, Gross, Thomas, Sharer, Paulis, Smalley, mgr.

With a number of returning lettermen and a crew of hard-working boys, Coach Butler looked forward to his 1945 football campaign.

The Hurricane eleven opened its season with an impressive 31-0 win over Kingston. The following week saw the Liberty boys bow in a hard-fought game to Southern High, champion of Philadelphia, to the score of 7-6. Travelling to John Harris for their first conference game, the Hurricane won a bitterly fought game from the capital boys, 13-7. The next week, Liberty ran roughshod over an inexperienced, but hard-fighting, West Mahanoy eleven, 39-0. On the road for two weeks in a row, the Liberty eleven won a rough contest at Reading; and then won their most cherished victory to date, with a brilliant victory over our Big Four rivals, the Easton Red Rovers. The following week the Hurricane won a sluggish contest from Hazelton, 20-0. Then came our important Big Four game with P-Burg. This was a happy day for Bethlehem. The Hurricane played like champions, pushing the New Jersey eleven, the team that beat Allentown, all over the field to an astonishing 19-7 victory. The following week, the Hurricane reserves walked away with a 40-6 triumph over a scrappy Frackville eleven. The Turkey Day classic was played before the largest crowd in Bethlehem gridiron history. The game was to decide the Big Fifteen champion. Bethlehem started fast, but couldn't keep pace with the Allentown Canaries. The bottom seemed to fall out of the Bethlehem team, as they failed to stop the Canaries, losing 34-6. Although they lost the Allentown game, the Hurricane had a successful season in winning eight and losing but two games of a difficult schedule.

With available talent and capable reserves from last year's team, Coach Stark's booters looked forward to a successful season.

In their opening game, the Hurricane booters received a severe jolt when they bowed to the strong Reading Knights, 3-1. Coming back strong the following week, they trounced Upper Darby, 4-1. The Liberty booters began to find themselves as they won an impressive 3-2 victory over an outstanding Kingston team. The game with Abington was all Bethlehem, as they poured it on, winning 4-0. Then came the returning game with Reading. This was Coach Stark's big game. The Liberty booters were gunning for Reading, and they put on a great show of soccer. The Reading team was helpless against the fast, but small Hurricane. Liberty came through with its most outstanding victory of the season, winning 2-0. The booters ended their season a week later, when they practically booted Perkiomen Prep off the field, ending their season with a 5-0 victory.

With the opening of the basketball season, Coaches Preletz and Troxell found a few returning boys to help build the team for the coming campaign.

The Liberty five started out fast by winning their first three independent games before they dropped a close one to Lebanon. However, the following week they conquered the powerful Central Catholic team to the tune of 52-31. In the first league game the Bethlehem five bowed to Allentown's State Champions, 52-38. Traveling to Easton for a league game, the Liberty boys won a thrilling 44-39 decision. This was followed by a one-sided victory at Pottsville, 57-35. The Hurricane lost their last league game of the first half in an exciting game to Hazelton 35-52. After defeating two independent teams, the Liberty five again fell victims to Allentown 51-38. The Hurricane caught fire after that game as they swept to one-sided victories over P-burg, Easton, Pottstown, and Pottsville. In the Pottsville game, the Hurricane set a tremendous pace as they established a new league scoring mark, 80-42. Traveling to Central Catholic, the Liberty five was upset by a much-improved team, 47-33. On the road for the final game, Bethlehem won their sweetest victory of the season, as they defeated the Hazelton quintet in a hair-raising game, 39-37. They ended their season by turning back Reading for the second time, 38-36. Thus a very successful seasen ended with fifteen victories and five defeats.

Besides setting a new league scoring mark in the East Penn League, Liberty's diminutive forward, Johnny Felker, won the individual scoring title for the league.

1st row: Zehner, mgr., Campbell, Behler, Steele, Westervelt, Collins, Pacala.
2nd row: Angerman, Mesko, Mitman, Medlecot, LaSasso, Cope, Cherkis, Gasdaska.
3rd row: Mr. Stark, coach, Lance, Kalman, Pecuche, Sharer, Agocs, Mohr Albert.

The opening of the wrestling season brought a few veterans and some hard-working boys together in preparation for the 1945-46 wrestling team.

The hurricane opened its season with an impressive 32-9 victory over Alientown. However, the following week, Bethlehem was defeated by a strong Kingston team, 20-15. Traveling to Washington, N. J. for the toughest test of the season, the Hurricane gave a brilliant account of themselves before falling, 20-11. Once again on the road, the Stark group earned their sweetest victory of the season in defeating Upper Darby, Philadelphia's District Champions, 28-14. Northampton proved an easy victim for the hurricane since they fell by a score of 44-0. The powerful Forty Fort grapplers had too much power for Bethlehem as they won, 28-13. Again Northampton fell to Liberty 41-5. Playing host to Allentown, Stark's boys defeated our prime rivals for the second time; however, this time by a closer score, 26-14. In the last meet of the season, Liberty lost to Lansdowne, 22-15. A grueling season came to a close with the Hurricane winning five and losing four meets during the season.

Carrying the Liberty colors to the state finals at Penn State, George LaSasso and Charles Cope displayed fine form. LaSasso was eliminated in the finals while Cope, 145 lb. class, was eliminated in the semi-finals.

Coach: William H. Emrey

Front: William Wash, Captain.

Front row, left to right: Prestosh, Cope, Pitsilos, Strako, Edelman, McCall, Deetz, Capt. Hudak, Paterson, Agocs, Bartholomew, Herlikofer, Gower, Yeager, Snowden.

Second row, left to right: Hammer, Molnar, O'Leary, Pedrick, Wirth, Yeakel, Fresoli, Stefanik, Arnold, Fetsko, Glessner, Adair, Simons.

Third row, left to right: Ford, Koehler, Kresh, Smith, Kohl.

Fourth row, left to right: Manager Eisenhauer, Coach W. H. Emrey, Assistant Manager Orzen.

The thinclads of Bill (Pop) Emrey had a splendid season with the help of Robert Gower, George Prestosh, and Straka who ran the 100 and 220 yard dashes: while Pat Paterson and Herlikofer helped in the 440 and 880 respectively.

The field events were taken care of by Agocs, Hudak, Deetz, Correll, and Cope, all of whom did a wonderful job in the shot, high-jump, broad jump, discus, pole vault, and the hurdles. Then there were Snowden, O'Leary, Bartholomew, Edelman, Pedrick, Smith, Adair, Hammer, Yeager, Fetsko, Pitsilos, Guidon, Glessner, Fresoli, and Molnar, who all helped to contribute points so that they could go on undefeated in dual meets and take the District XI title with 77 points, which broke the previous record of 74 points set by Liberty High School.

John McCall did a great job of running the mile. Not only did he go undefeated in dual meets, but he ran the District XI and went on to become State Champ. John, who is a natural miler, is only a Junior; and he will be back next year to try to beat his time of 4:37.6. Oran Correll, who was also crowned as State Champ in pole vault, will not be back with us next year since he is going into the Paratroopers.

Baseball

Coach: John W. Butler

1st row: Check, Tice, Young, Weaver, Grund, Gross, Getter, Werpehoski, Marinkovich, Garcia.

2nd row: Wimmer, Diehl, Kovacs, Werst, Dankel, Calvo, Micholay, Hoffich, Bellatti, Transue, Turnachik, Choma, McCall.

The Hurricane Baseball team had a very successful season, winning the Eastern Pennsylvania Baseball League and District XI Championships. The Liberty boys clicked for their third championship in the history of the school, all of which were under the tutelage of Johnny Butler, hurricane football and baseball coach. The 1939 and 1941 combines were the only previous teams to turn the trick.

Tom Grund, red and blue captain, Frank Weaver, Dick Getter, Ken Young, and Bill Gross were among those who led the team to victory. Tom Grund, Dick Getter, and Dick Dankel, hurricane hurlers carried the mound duties with their million dollar pitching arms. The hitting on the team was exceptional as Frank Weaver, first baseman, broke the batting average record as he hit at a clip of .605. Dick Getter, Gross, Grund, and Young, pushed Frank considerably.

In the District XI playoffs Tom Grund took the mound against Curt Simmons, All-American boy, of Whitehall and won a pitcher's duel 1-0. Grund again toiled for the hurricane against Hazelton winning a 10-0 shutout. Dick Getter took his turn on the mound and defeated Nazareth by 7-2 count.

In all the Hurricane won 15 and lost 2 by close decisions.

Girls' Softball

Coach: Elsie B. Weston

The call for girls to play intramural softball produced more than one hundred girls. The softball enthusiasts were arranged on eight teams, each team led by a captain and a manager. Under the able supervision of Mrs. Thomas Weston, the games began the day following the formation of the teams.

The schedule which began on May 1 continued until the close of school.

This was the first year Liberty High School had an Aquatic Club.

The purposes of the club were:

1. To create a greater interest in swimming for pleasure and recreation.
2. To develop a leadership training program.
3. To prepare for a swimming exhibition.

Membership was open to all who had a keen interest in swimming activities. The meetings were held on Wednesday afternoons at 3 o'clock. Swimming was enjoyed from 3:00 to 4:30.

The club held two parties; one at Christmas time and a Co-ed party near St. Valentine's Day.

Girls' Gym Team

Coach: Elsie B. Weston

The girls' gym club was organized this year under the direction of Mrs. Thomas Weston. The meetings were held every Wednesday, Period 4, in the gymnasium. The main purpose of the club was to present the annual gymnastic exhibition, in which the boys gym team also took part.

The club was divided into groups of ten, with a leader at the head of each group. The leader had charge of taking attendance and of directing her group.

This year the annual exhibit was presented on April 30. It consisted of marching drills, free hand drill (calisthenics), Indian club drills, apparatus work, tumbling, pyramids, and dancing (bowery, military, waltz). Also, for the grade school, two clowns did a comical routine.

Dancing was taught by Marion Schmidt and Mrs. Weston, and the Indian Club drill by Miss Borman. The boys' gym team was instructed by Mr. Heller, and the remainder of the exhibition was coached by Mrs. Weston and Miss Borman.

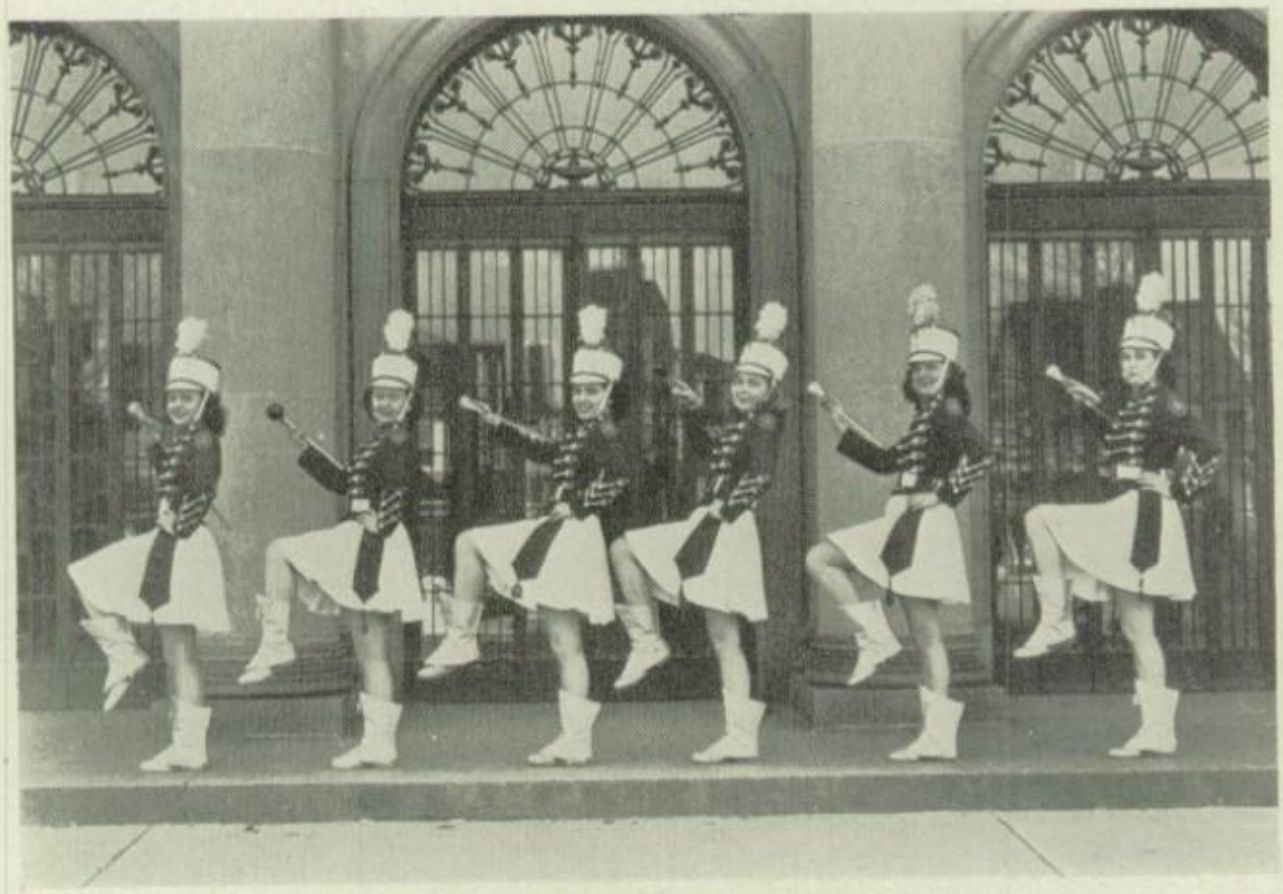
Majorettes

Coach: Ruth Borman



Rose Marino, Marjorie Dilliard, Mary Ann Scattene, Janet Kemp, Joanne Troxell, Nancy Wilcox.

On September 16, 1945, before 16,000 people, Liberty High School's majorettes, the first in the history of the school, made their first public appearance at the professional football game between the Phiadelphia Eagles and the Chicago Bears. From that time, at each home football game and two away games, and through the entire basketball season, this peppy group, dressed in striking uniforms of red, white, and blue, and distinguished by a high white hat and a white plume, displayed their versatility in marching and baton twirling. The majorette corps will climax their first eventful year with an appearance at Princeton University on June 22, when they will participate in the festivities of the University.

The majorettes who plan to add four more girls to the group next year, are the following: Nancy Wilcox, Joanne Troxell, Janet Kemp, Mary Ann Scattone, Rose Marino, and Marjory Dilliard.

The group is indebted to Miss Borman for her able assistance in assembling this fast stepping unit to represent Liberty High School.

Class Poem

The Year of '46

by Daisy Mae Stright

The year of forty-six is gone,
And forty-seven now looks on.
Forty-six has passed the grade,
Altogether success was made.
Some will stop at high school's doors,
Some will go through college chores,
Others may venture abroad to learn,
Knowledge gained when they return.
We've had defeat and victory too,
Our pride and spirits rapidly grew.
We learned to accept the things at hand,
We had our studies at our command.
We'll sometimes wish we could return,
For bobby socks and books we'll yearn,
We'll long for laughter and noisy bells.
We'll yearn for blackboards and chalk dust smells.
Three years have passed, both good and bad.
Just think of all the fun we've had,
When teacher's gone the mice all play,
Erasers fly in a joyful fray.
Teacher returns and the room is serene,
Not an eraser in sight, no mischief is seen.
Football games and weekly dances,
Were an early start to sweet romances,
When spring rolled round we saw them start:
A romantic soul met a lonely heart.
Our luck all out for Liberty High,
We look at the past and breathe a sigh,
We hope our standards will always last,
As they have prospered in the past.
We stand on the threshold, looking back with great care,
There's sadness and longing, for our hearts are still **there.**

History of the Class of 1946

SOPHOMORE

On Wednesday, September 8, 1943, we green sophomores entered a large building which we knew as Liberty High School. From that time on to the present, we did our best to please both our fellow classmates and our teachers (at least part of the time, anyway).

Later in our sophomore year, we assembled to vote for officers. George LaSasso and Lucille McCorkell held the same offices then as they do now—president and treasurer, respectively. The vice-president was Richard Medlecot and the secretary was Patricia Lawrence. Class dues were set at two dollars. It nearly broke us, but we gave till it hurt.

March 24, 1944 rolled around with the first affair of the season for us. This was the "Paper Bag Party", an invention of Miss Kutz, then our class adviser. The girls brought lunches to this party; the fellows bought them at 25 cents apiece, and ate with the girl whose name appeared inside. There were some strings attached, though. During this year there was quite a man shortage, with girls far outnumbering boys. Thus the boys had more than one lunch to share. But all had a pleasant evening, especially the boys, who finally had enough girls **and** encugh food to satisfy them.

Another class event was the "Sophomore Hop" on June 2, 1944. This time we invited upper classmen to attend. A large number were present, and a good time was the order of the day. Since it was near the close of the term, we exuberantly looked forward to our long summer nap; but inside we wistfully waited for the first day of our junior year, when there would be some new sophomores for us **Juniors** to tease.

JUNIOR

When you recall your high school days in future times, by all means do not underestimate the value of your Junior year. I grant you, the Sophomore and Senior years will be remembered as the most exciting; as Sophomores, everything was new and strange, while as Seniors, we are "old timers" and are out to make everyone aware of our importance. Foor little Junior year is sandwiched in between those other two dominant ones; her history remains hidden and practically forgotten.

Therefore, to give credit where credit is due, allow me to review some of the highlights of the year 1944-45. First of all, it was in our Junior year that our class achieved the unity which culminated in our accomplishments as Seniors. While Sophomores, we still thought of each other as coming from Franklin, Broughal, Washington, Nitchsmann, or some other school. But during our Junior year, by gaining new friends and intermingling, we finally gained harmony.

As soon as we became unified, it was comparatively simple to exert our influence for the benefit of the school. Our class always had an abundance of leaders with good ideas, one of which was the Student Government. Former pupils at L. H. S. had attempted to interest the faculty and student body in the Student Council, but apparently there had been a lack of interest and enthusiasm. Likewise, members of our class tried to put the idea across, and thanks to the cooperation of both faculty and students, the plan is finally bearing fruit. Another "progressive" change which was brought about was the addition of those high-stepping majorettes for morale builders at sports events.

Our Junior Class was responsible for many interesting and original dances. For instance, we sponsored some of the Pep Dances, which were extremely popular; the Christmas Dance on December 16 (Do you remember that Mr. Heller raffled off a Christmas tree?) the Rainbow Dance, and together with the Seniors, the Junior-Senior Prom. The Prom was truly a gala affair. It was semi-formal, and it was hard to believe that those "cute chicks" and well-behaved fellows were the bobby soxers and wolves of the day time.

I could go on describing other memorable occasions indefinitely, but perhaps if I just mention them, in passant (that's French); a host of your own memories will arise. Remember the Christmas Vespers, the Liberty Life Carnival, the stream of Junior Councillor Dances, the Sorority and Fraternity Dance, the Senior Class of 45's play "Stage Door," the Temple University Conference (to help students choose a vocation), club events, and the home room picnics at the end of the year? You might not have participated in all these school activities, but it is more than probable that you attended some of them.

Now you can realize what part the Junior year played in our high school career. It was the transitional stage of our class, and we may always recall it with a sense of pride, for it was in that year that the whole world, as well as our infinitely smaller high school class, achieved a unity of purpose.

SENIOR

Seniors at last! How we had looked forward (?) to tugging in that large front door, to joyously (I said joyously) plodding up and down three flights of stairs at least twelve or buffteen times a day. Do you think we've regretted it? Don't try to kid yourself—we loved it.

In the Spring of 1945 we organized for our final year together, with George LaSasso who was ably assisted by his fellow officers. After we had rattled our way into school on the first day—carefully side-stepping the thundering herd of Sophomores—the usual homeroom officers were elected, and we were off with an atomic start.

On Friday nights practically everyone went to the Pep Dances sponsored by our class, and Saturday found the faithful seniors boisterously helping themselves to a slice of football success, the favorite Fall stimulant. The eve of Turkey Day gave us a chance to leave off excess steam for we held a combination parade, bonfire, and dance which climaxed weeks of anticipation for the "crown clinching" game. Then the day was here! . . . . and we were heard to exclaim as they drove out of sight, "Just wait until next year." Well, December came along, and so did the last warning to get **Cauldron** cuts in on time. P. S. We did.

Before sorrowfully (! !) closing our books for Christmas vacation, the beautifully stirring Vespers were presented, and we helped to usher in a successful basketball season.

With noses intermittently down to the grindstone, we all looked forward to the excitement of the annual Sweetheart Dance and in the meanwhile let our minds wander to fond thoughts of tryouts. You know, tryouts! For three years we had waited for our chance, and now it was here. The cast was chosen, and Harriet, our senior play, was proclaimed a magnificent accomplishment. The excitement died down, we dropped grease paint, wigs, right and left and finally relaxed our weary, little (?) minds with baseball and track. Each time a Senior opened his "facial cavity" or "that through which he reveals all he knows" (mouth to you), college board exams or news of the Glee Club Musical sallied forth.

In a flurry of gown measurements and Class Day, we saw our High School days drawing to a significantly triumphal close. It didn't seem possible that three years could be climaxed in a few days, but that's what it was for us. Although we had willingly looked forward to this day, now that it was here, who could help but feel a pang of sudden rebellion against leaving the many things which we had known and loved. No matter how far we travel, no mattter where we may go, we shall never forget the teachers, the classmates, the friendly echoing halls of Liberty High. Yes, how true are the words, "Bethlehem High School, hail to thee, loyal sons and daughters we. In the future as the past, we'll be loyal to the last."

Boys' Last Will and Testament

We, the members of the Class of '46, Liberty High School, being in sound mind (it says here), do hereby make known our last will and testament. Farewell to Forty-six

By Naomi Knauss

Our high school days have come and been
And gone, while future, like the dawn
Of some new day, has shown our life
A new horizon, wordly strife
That is to come.

The halls and corridors that rang
With jolly laughter and that sang
Of joyous hearts in youth's new strength
Were but an ever short'ning length
That led us onward.

The classrooms, gym, and workshop labs,
The pool, and varied clubs were dabs
Of every sort of thing we'd need;
And maybe proved themselves the seed
Of our vocations.

This high school was the happy scene
Of many triumphs, and victories keen;
Of classes gone and those to be,
And one class dearer far to me
Than all the rest.

So say farewell, old friends and new,
Farewell to Forty-Six. Time flew
As swiftly as in other years
And left us, comrades, without fears
To face our future.
